Dear Bill:

I am pleased to recognize 2008-2009 as the International Year of the Organ (IYO) in the State of Montana.

Organ and choral music has been part of our culture dating back over 2,000 years. The organ has a rich history and has helped to produce the world's universal language: music.

I appreciate the efforts of the American Guild of Organists to promote awareness of the organ, and it's impact on our society and culture.

Sincerely,

A handwritten signature in blue ink, consisting of a large, stylized letter 'B' followed by a horizontal line.

BRIAN SCHWEITZER
