American Guild of Organists

What is a POE?

The 2019 Pipe Organ Encounter (POE) in St. Louis is designed for teenagers, age 13-18, who have achieved an intermediate level of keyboard proficiency. Previous organ study is not required. You will receive one-on-one organ instruction, visit many of the amazing organs in the St. Louis area and meet new friends!

- Daily organ lessons with artist faculty
- Practice time on a variety of pipe organs
- Workshops and master classes
- Classes in areas such as pipe organ construction and design, improvisation and organ literature
- Faculty organ concerts and demonstrations
- Final POE student recital

Pipe Organ Encounters is an educational outreach program of the American Guild of Organists. Major funding for Pipe Organ Encounters is provided by the Associated Pipe Organ Builders of America. Additional support is provided by the American Institute of Organbuilders and the Jordan Organ Endowment. Permanently endowed AGO scholarships are provided in memory of Charlene Brice Alexander, Robert S. Baker, Seth Bingham, Michael Cohen, Margaret R. Curtin, Virgil Fox, Clarence Dickinson, Philip Hahn, Charles N. Henderson, Alfred E. Lunsford, Ruth Milliken, Bruce Prince-Joseph, Douglas Rafter, Ned Siebert, Mary K. Smith, and Martin M. Wick; and in honor of Anthony Baglivi, Philip E. Baker, Gordon and Naomi Rowley, Fred Swann, Morgan and Mary Simmons, and the Leupold Foundation.

Scholarship assistance is available through the American Guild of Organists. Please contact the POE Director Horst Buchholtz on initiating the online scholarship application process. In addition, students may also contact AGO chapters or religious institutions if financial aid is needed.
