EXAMINATION FOR FELLOWSHIP
June 8, 2018

Proctor: Please inform the candidates that

a. Tes: A will be played five times;
b. they may begin writing as soon as the playing starts;
c. after the fifth performance of the test by the proctor they will be allowed not more than five minutes to complete their writing.

The Proctor will:

a. state to the candidate the key and time signature of Test A;
b. sound the tonic chord, holding it long enough to assure its acceptance.

The Proctor will then play Test A five times, one beat = circa 66, allowing one minute between each playing. If there is only one candidate in the room, the next playing may start at any time after thirty seconds (up to one minute), if requested by the candidate. The proctor is responsible for using an accurate timing device.

The notes of chords shall be played simultaneously and not arpeggiato.

Test B is to be given at the conclusion of the five-minute period, and is to be played four times, after the proctor states the key and sounds the tonic chord. The time signature of Test B (and placement of bar lines) will be determined by the candidate, without assistance of the proctor. The test shall be played at one beat = circa 66, allowing one minute between each playing. Again, if there is only one candidate in the room, the next playing may start at any time after thirty seconds (up to one minute), if requested by the candidate.
